TOASTED ONION

Sensient Natural Ingredients toasts onion gently to lock in deep, bold flavor and create a rich, golden color. As a result, our Toasted Onion trades the sharp notes of a traditional onion for a warm, delicate aroma. Use Toasted Onion to provide a remarkably distinct coating or topping; alternatively, blend Toasted Onion into sauces, dips, and more to introduce another dimension of savory--and a hint of sweetness--to numerous food products.

Toasted Onion and Herb Syrup

Potential Applications

- Toasted Onion Soup
- Toasted Onion and Herb Syrup
- Bread or Bagel Topping
- Sauces, Marinades, and Dressings
- Soup and Dip Mixes
- Snack Food Seasoning
